WORK EXPERIENCE

Game Development Workshop Coach / USTP Young Campus

July 2026

- Led hands-on Unity and C# workshops for young people, focusing on game development and programming.

UX/UI Designer / EBCONT

Feb. 2024 - Feb. 2026 / Part-time

- Worked on 15 client and internal projects in public administration, publishing, industrial technology and enterprise software.
- Took design ownership of selected projects in teams of 4–10 developers and a project manager.
- Created and maintained design systems, wireframes, interactive prototypes and high-fidelity interfaces in Figma.
- Conducted UX research, user testing, feature evaluations and accessibility analyses, and turned the findings into design improvements.

UX/UI Designer Internship / EBCONT

Sep. 2023 - Nov. 2023 / Fulltime

- Supported prototyping, optimised interaction flows and helped evolve design systems in interdisciplinary product teams.
